PROFESSIONAL EXPERIENCE

iOS Lead Developer/ Solutions Exchange Inc. May 2023 - Present

- Part of the Base Product Department and led a team in the design, development, and deployment of iOS applications, such as Business Online Banking (BOB SXI) and the BPI New BizLink application.
- Owned deployment and release cycles; served as gatekeeper for code quality and feature integration
- Developed and maintained core modules such as eCommerce, Check Deposit, Bills Payment, Pay Employees and Account Sweeping

Full Stack Developer/ Solutions Exchange Inc. Oct 2022 - May 2023

- Developed and maintained both Back Office and Front Office components for Business Online Banking (BOB SXI) and New BizLink web applications
- Used Java for backend services and React.js for responsive, user-friendly frontend interfaces
- Performed rigorous bug fixing and unit testing to ensure high performance, security, and reliability across the application stack

Freelance Developer April 2025 - Present

- Identified and engaged potential clients through networking, referrals, and digital outreach to establish project opportunities.
- Designed, developed, and maintained responsive web and iOS applications tailored to client needs, using modern frameworks and technologies.
- Delivered high-quality, scalable solutions on time and within scope, while providing ongoing support and updates.

Intern, Servscale Technologies Inc. March 2022 - October 2022

- UI/UX Designer
- Develop and maintain web using HTML, CSS, JavaScript and mobile using Flutter.
